

## List of Contracted Insurance Companies

We are contracted with most insurance companies in Washington State and in the Portland Metro area. It can be confusing to review provider listings or online directories for the names of clinics or providers. Majerus & Co. Physical Therapy may also be listed as **Joint Ventures Therapeutics** (our legal name) or under the names of individual therapists. **It is the patient's responsibility to understand their benefits and financial responsibility before treatment begins.** If you need help determining your benefits for our services, we encourage you to call the clinic and let our staff assist with the sometimes-complicated process of determining your benefits.
