Financial Policy

We are committed to providing you with the best possible medical and patient support care. Payment for Service is due at the time services are rendered or upon receipt of your patient billing statement. To expedite this payment, we accept cash, personal checks, Visa, MasterCard American Express and Discover.

- We are contracted with most health care plans. Please contact our office to verify if we are a preferred provider with your insurance. Out of network discounts are available. Self pay / cash discounts are available. Please call our office at **360-253-4020** directly for specific details.
- If you have a worker's compensation claim, please contact our office to determine if we are contracted with your carrier. Pre-authorization is required.
- If you have been involved in an automobile accident and have a personal injury protection (PIP) claim, we will require the claim number and contact information for your PIP claim at your initial contact.

Upon receipt of your patient billing statement, payment in full is expected within 30days. If you anticipate that you will need a payment plan, we offer two payment options through CareCredit upon approval; a No Interest If Paid Within Promo Period covering 6 months, and a Low Interest Payment Plan. All CareCredit plans feature no up-front costs, annual fees or repayment penalties. For details or to apply, speak with our Office Manager or look for the link to CareCredit on the Link Tab of our website.
